

Thunderbuff™

Silicone-free nylon/polyester microfiber wiper

Description

The Thunderbuff microfiber wipe is a silicone-free, terry style knitted wipe made of nylon/polyester microfiber. The edges of the wipe use an exclusive wrapped hem, which ensures the Thunderbuff will retain its shape and will not develop curled or frayed edges. Laundered in a cleanroom laundry to reduce linting and particle generation.

Features and Benefits

- Larger size (16" x 16"), heavier, thicker cloth
- Proprietary bound hem
- Microdenier fiber construction
- Hold more wax and particles-takes longer to fully "load"
- Greater durability, less linting from fraying edges, washable many times
- Easily removes; glaze & polish, dust & fingerprints, and detailing overspray

Applicability

The information presented here is applicable to the part numbers shown below as well as to any product containing the same materials and produced under the same conditions, regardless of product size or packaging configuration. Please contact a Contec sales representative for more details.

LWTB0001, LWTB0006

Technical Data

Attribute; (units)	Value **
Silicone content	None
Construction	Waffle terry knit
Fiber composition	Microfiber, polyester
Weight (g)	50(± 5%)
Size (cm)	40 x 40 (± 1)
Thickness	1.5 (± 0.2)

** ND = None detected; levels are below detection limit of test equipment

Notes:

- 1) Data shown are typical values and should not be used as product specifications.
- 2) Valid product comparisons may only be obtained through side-by-side testing in the same test facility, under similar conditions.
- 3) Current and/or comparison data may be available. Please contact a Contec sales representative for details.
